

WELCOME TO

Tlaga Singha

enliven your senses

Tlaga Singha Tropical River Club is designed to honor discerning travelers in pursuit of a hidden day club to chill out and immerse in the myth of Bali's tropical vibe with breathtaking riverside views. Nestled in the historical village of Singapadu, south of Ubud, Bali, for its richness in Balinese visual arts.

A perfect getaway to escape from the hectic pace of daily routine. It is only an hour drive away from Bali International Airport. We cater for events and celebrations of all kinds. From an intimate private dining, birthday, group gatherings, to a large wedding event. You are privileged to enjoy our great facilities, both indoor or outdoor which is flexible in layout for cocktail or seated style events.

A romantic couple is shown from the chest up, standing in a pool of water at night. They are both smiling and looking at each other. The woman is wearing an orange dress and has a yellow flower in her hair. The man is shirtless. In front of them is a large, round, woven wicker basket floating on the water. The basket is filled with various items: a burger, a small blue teapot, a pink cup, a small bowl of food, a plate of fruit, and a small potted plant. The background is a dark wall with several circular portholes and a series of white, geometric, cage-like structures hanging from the ceiling. The water is dark and reflects the lights and the couple.
