Welcome to Kayumanis Beach Bar & Grill

Beneath the shade of tropical trees and right by the edge of the sea, every dish is crafted with authenticity, balance, and thoughtful attention to detail.

From freshly caught seafood and carefully prepared Asian and Western grill selections to light tropical creations, each offering is designed to be savored slowly — in harmony with the rhythm of the waves and the gentle ocean breeze.

As daylight fades into evening, soft lantern lights create a warm and intimate ambiance. A place to share stories, celebrate togetherness, or simply embrace a peaceful moment by the shore.
